General Club Meeting  
on December 15th, 7:30PM

At Mt. Hood Community College  
Room 1001

Hope to see you all there.

## From The President's Desk — Mike Magnuson,

73s to all!

Well it has been an interesting and joyous three years as President, but it is finally time to pass the baton to someone else. I have enjoyed working with all of the past and present board and all of the club members. We have accomplished many things over the past three years and some things we have not. I am wondering who will carry us into the next year and I hope that whomever it is, you will give them the same support you gave me the last three years. I will carry on as past president and help in any way I can.

Nominations are open for President and the nominating committee is still looking for someone to fill that positions. Please come the December meeting and nominate (with their permission) a member for the open position. We will be electing the new board members at the general meeting as well as having a get together. This year's board members will be supplying the refreshments. So come on and join us for a great time.

As in the last couple of years, I am asking for donations of food (non-perishable) to be collected at the next meetings and will make the donation to Snow Cap after the December General meeting. This year we are also taking cash to donate to Snow Cap. So far we have collected \$70 in cash and about 50lbs of food. Remember that the last few years have been tough on a lot of people in our area and the food banks have been very busy.

73's,  
Mike - N7ETA
