General Club Meeting
on January 19th, 7:30PM
At Mt. Hood Community College
Room 1001
Hope to see you all there.

From The President — Jim Schoch, KA7AGH

I hope you all had a good holiday season. I'm looking forward to the coming year and all the fun events as your president.

First, I would like to thank those club members that served on the Board and to the others that served the club on various committees. Mike N7ETA served for three years in a row as president for which we are thankful.

But with a new year comes a chance to start some changes. In sports they will call this a rebuilding year. The new Board of Directors has some great ideas what were shared with each other at our board meeting held last week. We are hoping to have some really good programs each month at the meetings. We want to increase membership and attendance at the meetings and different events through out the year.

Committees are forming and if you would like to volunteer to head one up or to help with an activity please step forward and let one of the board members know. It would be great to spread the workload out among the members. I might even tap you on the shoulder and ask you to help.

We all come from different backgrounds and find different reasons to enjoy our hobby of ham radio. Some might like electronics part, some the emergency service part, and others might like the social part, but as a club I hope we can support each other to make this the best club around.

73,
Jim

March for Babies Date Announced

HARC will participate in the March of Dimes March for Babies event on April 28, 2012. We will provide communications to assist walk officials and other volunteers. More information will follow in months to come. We will need around twenty ham radio operators in different roles for about four hours on that morning. Please mark your calendar for this fun and worthy activity.

Radio Tower Fall Protection

Come to the club meeting to see some of the gear that Jim KA7AGH uses for climbing the big towers. He will have show and tell and give ideas on how to climb safely. Or come to visit other hams. Or come to pay your dues. The meeting should be a good one to attend.

Classy Radio Red Hatters Celebrate

Sunshine Committee

If you know of anyone that could use our thoughts and prayers, contact Pam KC7Q.

Don Inglehart KE7QFN had a stroke a couple of months back and is in a rest home in Gresham. He had to sell most of his radio gear for medical bills and all he has left is a Yaesu VX-7 and has problems hitting some repeaters with the stock antenna. He asked if anyone could loan or donate a dual band (144m - 440m) mobile antenna with mag mount. He could put this on a cookie sheet by his window for a better signal as outside antennas can't be used. He also would need an adapter (SMA to UHF) to adapt coax to the VX-7. Does anyone have one to loan or donate for Don's use? His phone is 503-358-9056 and would love to talk a little with people. Or call Jim, to donate antenna.

Oh, whats this? There is a flurry of activity down on the floor. It seems that someone has put the strong arm on Jim, KA7AGH. Let's listen and try to find out what's going on.

Merry Jo, W7OGO has just nominated Jim KA7AGH to be HARC President. They have Jim down on the mat. Joel N7LF seconds the

nomination. It was a valiant fight on Jim's part but it looks like the club has him pinned. Jim concedes, and the crowd goes wild. We will have a new HARC President. KA7AGH wins by an overwhelming majority of the votes. Cory KA7IUG introduces the new officers. Mike passes the gavel to Jim . Thanks to Mike for a great 3 years as HARC president.
