General Club Meeting on October 20th, 7:30PM

At Mt. Hood Community College
Room 1001

Hope to see you all there.

From The President's Desk — Mike Magnuson,

73s to all!

Well summer did not seem to last very long and here comes the rain again! Hope you were able to get all of your outside HAM projects completed.

This month is the ARES simulated emergency tests. This year it is on the October 22nd and will be manning as many of the Fire Stations as possible to work with the local CERT, NERT, and NET teams to simulate communication from around each station. The SET will be from 8am to 12pm and a debriefing will follow. If you would like to volunteer, please contact me by the 18th.

I am still looking for a chairperson to coordinate the Christmas Banquet. It is getting very late and will need a chairperson no later than the General meeting. Please contact me if you would like to volunteer.

As in the last couple of years, I am asking for donations of food (non-perishable) to be collected at the next meetings and will make the donation to Snow Cap after the December General meeting. Remember that the last few years have been tough on a lot of people in our area and the food banks have been very busy.

Come to the meeting and receive your **free** Fall quarter parking pass for MHCC.

Upcoming events: Oct 22nd—Rickreall.

If you hear of any public activities that could use our skills in communications that will bring us good public exposure, contact one of the club officers with the information. Invite someone to a meeting or activity! Let' all work together to inform the public that our hobby is healthy and growing! Let's let them know that in an emergency they can count on us for communication!

73's, Mike - N7ETA

ARES information

Refreshment Schedule

October meeting—no one signed up
 You can sign up to bring refreshments at the meeting. If no one signs up we will not have refreshments that month.

Breakfast Gathering

Join us for breakfast every Saturday morning at Heidi's in Gresham. Conversation and coffee starts around 7:00am with the breakfast order taken at 7:30am.

Radio Nets

CW Net on 28.130 MHz at 7:00 pm, Sunday through Saturday, Net Control is Beaver & Russ
 2 M net on 147.28+ MHz, at 7:30 pm, each Wednesday evening. We need control operators for the 2 M Wednesday night net. When you volunteer it takes about fifteen minutes and will only be for four or five Wednesdays. Contact Harold to volunteer.

Thoughts and Prayers

If you know of anyone that could use our thoughts and prayers, contact Pam KC7Q.

Celebration of Life

The time has come for Joe, N7HA to go into an Alzheimer's Care Center. It is going to be hard for all of us, so we would like to welcome our friends to an open house in Celebration of Joe's life. It will be October 15th from 1:00—5:00pm with food and beverages. We ask for no cards and to please not discuss his move as it will only upset him. You can e-mail or call to RSVP. Cortney, Morgan and I look forward to seeing you all in Joe's honor. Thanks to all of you so much.

Pat, W7RED and the Girls

Technician Class Scheduled

We have reserved HF1 for two Saturdays for a Technician Class. The dates are November 5 and 12 and the time will be 9:00 AM to 4:30 PM each day.

Rather than having a VE exam on the second day we will refer the class to the regular VE exam on the following Saturday Nov. 19th. This will allow more time for instruction and time for the students to prepare and practice for the exam.

If anyone would like to help let me know. It would be a good chance to get your feet wet teaching a subject or two.
 Ed N7TL

2012 Officers?

It is time for the club to start planning for next year and we need some members to step up and volunteer for the board. We are looking for a President, Vice President, Secretary and Board Members. The nominating committee will be making telephone calls soon. Please consider running for office. It's easy, ask me, I have done it for the last seven years.
