**Hoodview Amateur Radio Club WB7QIW**  
PO Box 951, Gresham OR 97030

A non-profit organization organized exclusively for one or more of the purposes as specified in Section 501(c)(3) of the Internal Revenue Code, Vol. 17, No. 6. We are a Special Service Club with the ARRL.

**Board of Directors:**

President — Shaun Harteloo, N7TNP  
Vice President — Scott Etlinger KC7ZUH  
Secretary — Cindy Etlinger, KD7IXZ  
Treasurer — Jim Schoch KA7AGH  
Board — Chris Jensen KG7ADQ;  
Bryan Caddy K7BAT; Leslie Burrows KJ7EZO;  
Laura Standley K7LQT; Cory Schoch, KA7IUG

**General Club Meeting**  
**on October 17th at 7:30 PM**  
**At Mt. Hood Community College,**  
**Room 1001**  
**Hope to see you all there.**

**From The President — Shaun Harteloo, N7TNP**

Wow, its already October! Fall is upon us, and it is that time again to check all your emergency equipment. Start your generators, make sure your fuel is still good, put in fuel saver, and check the oil levels. Do a once over on your food reserves and rotate the dated stuff out, or use it. Check your water stores, and make sure that everything is good. Power on those radios, check your antennas, feed lines, and get on the air. One great way to ensure your equipment is in working order is to check in to the weekly net.

Speaking of the weekly net, the board has decided on the prize for the net raffle. We will be giving away a \$100 visa gift card. The rules for the drawing will be posted to the website, and were in last month's newsletter. To get entries, all you need to do is check in to the weekly net. Art has been doing a fantastic job as net control every week. I have even heard some other folks hop in and take the net on occasion as well. If you are interested in running the net, Art is always looking for help.

The meeting program this month is about our repeaters. It will include an update into the work going on with the 147.28 repeaters, and the supporting data network. I am excited to hear more about the work our repeater team has been doing.

If you weren't already aware, there will soon be a future little radio operator joining Laura and I. He is expected to show up in early December. If you weren't at the meeting, or listening to the net the night before, there was a surprise baby shower. I will say, we were pleasantly surprised. We received some super cute spit up towels, onesies, and some cash for baby's first radio! 73, Shaun N7TNP

And from Facebook: Thank you again everyone for the surprise baby shower! We were pleasantly surprised and we love everything! From K7LQT & N7TNP

**Hoodview Amateur Radio Club General Minutes**  
September 19, 2019, MHCC, Room 1001 at 7:30pm  
Attendance: 34 and no guests.

Secretary Report: No Secretary Report as the August Meeting was the Club Picnic at Red Sunset Park.  
Treasurer Report: Moved Laura K7LQT, Seconded Chris KG7ADQ, Motion Passed

**Business:** Program: Norfolk Island Dxpediton presentation by Joe Kelly N7BF and Russ Mickiewicz N7QR. Dxpeditons are expeditions to exotic places by amateur radio operators and DX listeners, because of its remoteness, access restrictions and/or because there are very few radio amateurs active from that place. Joe N7BF set up this expedition to Norfolk, there was a group of people who went. Everyone took one suitcase each of the basic equipment. Joe and Russ went through a PowerPoint presentation, telling stories of the trip, and showing Norfolk, where they stayed, and set up. The pictures show that the group had a great time in a beautiful place, and wanted to make sure everyone knew that ANYONE CAN DO A DXPEDITION.

**50/50 tickets:** See Denny WB7UFJ for tickets.

**Break -** During the extended break there was a **SURPRISE BABY SHOWER FOR SHAUN N7TNP AND LAURA K7LQT** – Congratulations!! to them both, for their upcoming new addition Andrew, due December 2, 2019. The club collected money in a Baby Bottle for them, with a card and a few gifts.

**Tech class:** Cory KA7IUG announced the next Tech class is November 2, and 9<sup>th</sup> with testing on that Saturday November 16<sup>th</sup>

**Dues or Website help:** please see Jim KA7AGH and Bryan K7BAT

**VE Session:** Saturday, September 21st, 2019 is our next scheduled testing -see PAM KC7Q if you are able to be a VE

**Net Control:** Art W7AUF, anyone who would like to be Net Control on any Wednesday, just let him know. Starting the October 2<sup>nd</sup>, Net, we are starting a Wednesday Net Event and it goes through the December 4<sup>th</sup>, Net. The more Wednesday's you check in the more raffle tickets you get for the drawing at the Club's Christmas Banquet at Saylor's Country Kitchen on December 7th – you do not need to be present at the banquet to win the prize. The prize will be announced at a later date.

#### Rules for this Check in event:

- Must be a paid club member
- One raffle ticket per Wednesday night net check-in. Can check in on either net to get the ticket 2M or 70CM
- People can check in for other people, but they must be present in the same household.
- If there are new hams or hams that do not have a radio, they can check in by text to Art during the same time 30-minute timeframe the net is on the air.

**Patches:** See Leslie KJ7EZO if you are interested in Patches, hats, or any club gear

**CW Net:** Russ N7QR mentioned there is a CW net every night at 7pm, you can contact him if you are interested in the frequency.

**50/50 Winner:** Chuck W7HDF won 17.50 and donated it back to the club for the Repeater Fund. Total 50/50 amount was 35.00

**Adjourned:** Cory KA7IUG motioned to adjourned the meeting Chris KA7ADQ seconded the motion and it passed at 8:45pm.

**Treasurer's Report** as reported at the October board meeting by treasurer, Jim KA7AGH. Jim reported that we had new members, donations and 50/50 for the income. Expenses were for the port-a-potty, picnic food, repeater costs, and consignment sales.

### **Check into Two Hoodview Nets**

The Hoodview Amateur Radio Club Information Net has been expanded to include the Club's 443.475 + UHF repeater. The tone is the same as the 28 machine 167.9. The UHF Information Net will follow the VHF net at 7:45 PM or after the VHF net if it goes past 7:45 PM. This is an attempt to assist more local amateurs in checking in to our Club's Net and broaden our exposure. Club members are encouraged to volunteer to be net control of either net.

Every Wednesday night:  
HARC—2 M net on 147.28 MHz, at 7:30pm.  
HARC—70cm net on 443.475 at 7:45 pm

### **Net Check-In Raffle**

To increase check-ins on the Hoodview Net we are going to do another raffle this year. In this raffle you can earn tickets by checking into the net every Wednesday. You will get one raffle ticket per Wednesday, for checking into one of the HARC information nets. The dates you can earn a raffle tickets is from October 2<sup>nd</sup> through December 4<sup>th</sup>. There are no penalties if you can't check-in during the net on a given week, you just won't get a raffle ticket. The drawing will be held at the Christmas Banquet, however you do not need to be present to win. The full rules are below:

- **You must be a current member of HARC to receive a raffle ticket.**
- New Hams or Hams without a radio can check-in via Text Message to net control, only during the nets.
- As soon as the 2 Meter Net starts at 7:30, until the 440 net wraps up but it is highly encouraged that new hams or hams without their own radio's visit a station to checkin.
- Net Control regularly offers his station to assist new net control operators.
- Ask another club member, and someone will be happy to get you on the air as well. I am more than willing to offer up my station to allow a ham to check-in to the net.
- All check-ins count for 1 raffle ticket per night. You can check-in to 2 meters, 440, or both, you will get 1 raffle ticket for that evening.
- Prize will be \$100 gift card. Donated by Art Zehner W7AUF and Hoodview.

### **2020 Board or Officer?**

We will begin the process to nominate and elect the 2020 officers soon. Nominations will be opened at the club meeting in October.

The club will be looking for members to run for President, Vice President, Secretary, Treasurer and two board positions. Chris KG7ADQ and Bryan K7BAT will be leaving their positions while Leslie KJ7EZO and Laura K7LQT will stay on for one more year.

During the time before the October and November meeting, please take time to consider your roll in the Hoodview club. Is it your turn to step forward and help guide the club in 2020? Do you have some ideas to share with the board?

If you would like to serve on the nomination committee and twist some arms, please see Cory KA7IUG.

### **Sweepstakes Contest Invite**

Mark your calendars! Jim and I invite you to join us at our house on **November 16th** for the ARRL Swweepstakes Phone. We will start operating right after the club breakfast around 9:00. We can operator for 24 hours but will close up when ever we get tired. All club members are invited to try contesting here.

I will have a big pot of soup for everyone to enjoy for lunch or dinner. We might even order some pizza if we get a big crowd. Please bring a snack or potluck dish to share.

We will be using the Icom 7610 with a SteppIR antenna. We will have a logging program and could use operators and loggers.

Let's make it a party!

**SEA-PAC Announcements**

The SEA-PAC Committee is already hard at work for SEA-PAC 2020, June 5-7, 2020. With a newly remodeled Seaside Convention Center, 2020 is sure to be a great year.

The 2019 Workshop, "Power and Communication When Everything Goes Dark", was videotaped and the final production is available for viewing. The 5 workshop videos are now available on the SEA-PAC website (<https://www.seapac.org>) on the "Workshops > Past Workshops" page along with the 10 sets of presentation slides that are available on the "Workshops>Past Presentations" page.

It's with some excitement that the Committee announces the key note speaker for 2020's Gala SEA-PAC Banquet, Dr. Scott Wright, K0MD, editor of ARRL's National Contest Journal, "dedicated to covering the competitive contesting aspects of amateur radio." Scott is a cardiologist at the Mayo Clinic in Rochester, MN, and an active Ham since 1977. He travels the world as part of his medical responsibilities but this travel also affords him the opportunity to take Ham Radio with him around the world. Scott's sure to have fascinating stories to tell about his life in Amateur Radio and his adventures in contesting. After Registration opens in February, buy your banquet tickets early as they always sell out before the convention.

And don't forget the SEA-PAC Collector Pin design contest. Entries are due by March 1, 2020. Fire up your creativity and maybe you'll win 2 tickets to the SEA-PAC Banquet. See the SEA-PAC website and click on the SEA-PAC Pins tab for more information.

SEA-PAC is totally volunteered-driven. The Committee has identified the following areas that need your support: Registration, Security, Exhibitor Hospitality, Prize Committee, Workshops, Seminars, Flea Market, Exhibitor Setup and VE testing. If you're interested in helping to make SEA-PAC a continuing success, please send an email to [volunteers@seapac.org](mailto:volunteers@seapac.org) and indicate your call sign, contact number and your committee preference, if you have one, so that a committee coordinator can call you.

As a reminder, SEA-PAC 2020 Registration will open on February 15th, so keep an eye out for the email announcement and <https://www.seapac.org> for more information.

See you at SEA-PAC 2020.

**Members Cruise Together**

Some members of Hoodview went on a cruise together in September to Alaska. While we couldn't take radios with us (Homeland Security Rules) we did enjoy being together. Some of us said once is not enough so next September (2020) we are planning another trip to Canada and New England area. All members are invited (at your own expense) to sail away with us. If interested contact Marilyn Abe to get pricing and more information. Be sure to tell her the Hoodview Cruise.
