Hoodview Amateur Radio Club WB7QIW
PO Box 951, Gresham OR 97030

A non-profit organization organized exclusively for one or more of the purposes as specified in Section 501(c)(3) of the Internal Revenue Code, Vol. 17, No. 6. We are a Special Service Club with the ARRL.

Board of Directors:

President — Shaun Harteloo, N7TNP
Vice President — Scott Etlinger KC7ZUH
Secretary — Cindy Etlinger, KD7IXZ
Treasurer — Jim Schoch KA7AGH
Board — Chris Jensen KG7ADQ;
Bryan Caddy K7BAT; Leslie Burrows KJ7EZO;
Laura Standley K7LQT; Cory Schoch, KA7IUG

General Club Meeting
on November 21st at 7:30 PM
At Mt. Hood Community College,
Room 1001
Hope to see you all there.

**From The President — Shaun Harteloo, N7TNP**

November is here, and there are some fun radio activities this month. ARRL Sweepstakes is this month, and the board thought it would be fun to have a 'contest' gathering. The contest gathering will be for the SSB portion of Sweeps and will occur at my house in Sandy. The contest starts a 2100 UTC on Saturday the 16th. We'll start operating at 1300 PT (1:00 PM) and run the radio for 2-3 hours. We'll be using the club callsign. Please RSVP with me at kf7skb@gmail.com. If you have never operated a contest, this will be a good way to get your feet wet. This is a change of address from Jim and Cory's to Shaun and Laura's.

Almost every week there is some sort of radio contest to participate in from digital to voice. You can find a comprehensive list of contests at <https://www.contestcalendar.com/>. Contests can be a great way to scoop up some counties, states, or other places needed to complete certificates you are working on. Looking for worked all states, and need Maine, Rhode Island, or some other small place in the Northeastern part of the country? Get in on their QSO party, they want to work everyone, not just people in their state or region. If you work a contest, be sure to know the exchange, and the rules of the contest. All the rules and information is linked at contest calendar.

The board has lined up the NW Division Director, Mike to come tell us the happenings at the league for the November meeting. Also at the meeting, we'll be nominating individuals for the 2020 board. If you would like to participate on the 2020 board, please contact a current board member for details. Looking forward to seeing everyone there.

Hoodview Amateur Radio Club General Minutes

October 17th, 2019 at MHCC, Room 1001

Start Time: 7:30 pm

Guests: None; Attendance: 33

Program: Club Repeater presentation – Jim

KA7AGH and Cory KA7IUG gave a presentation on the status of the Repeater Project. This project started in September 2015, and is not completed. The Power-Point presentation showed pictures of the equipment on the roof of Mt Hood Medical Center, pictures of club members working on the infrastructure and how hard it is to get all the supplies to project areas. This project is a slow process because the club cannot work on it on the weekends, or after hours. It is strictly a Monday through Friday business hours. At this point, it is not known when the Repeater will be fully operational. Jim stated that the projected started with a budget of \$5300.00 and there is still about \$500.00 left of that initial budget. The Repeater fund is healthy due to donations made by club members, and the sale of HAM Radio gear at the SeaPac Flea Market. Jim and Cory also wanted to thank everyone who has given their time and expertise to this project as without all these people, we would not be as far as we are.

Suggestion from Scott N7DOD, for the club to investigate and purchase a DMR Repeater.

Jim KA7AGH said, this is something that can be looked at after the current Repeater project is completed

50/50 tickets: See Denny WB7UFJ for tickets.

Check into Two Hoodview Nets

The Hoodview Amateur Radio Club Information Net has been expanded to include the Club's 443.475 + UHF repeater. The tone is the same as the 28 machine 167.9. The UHF Information Net will follow the VHF net at 7:45 PM or after the VHF net if it goes past 7:45 PM. This is an attempt to assist more local amateurs in checking in to our Club's Net and broaden our exposure. Club members are encouraged to volunteer to be net control of either net.

Every Wednesday night:
 HARC—2 M net on 147.28 MHz, at 7:30pm.
 HARC—70cm net on 443.475 at 7:45 pm

Net Check-In Raffle

To increase check-ins on the Hoodview Net we are going to do another raffle this year. In this raffle you can earn tickets by checking into the net every Wednesday. You will get one raffle ticket per Wednesday, for checking into one of the HARC information nets. The dates you can earn a raffle tickets is from October 2nd through December 4th. There are no penalties if you can't check-in during the net on a given week, you just won't get a raffle ticket. The drawing will be held at the Christmas Banquet, however you do not need to be present to win. The full rules are below:

- **You must be a current member of HARC to receive a raffle ticket.**
- New Hams or Hams without a radio can check-in via Text Message to net control, only during the nets.
- As soon as the 2 Meter Net starts at 7:30, until the 440 net wraps up but it is highly encouraged that new hams or hams without their own radio's visit a station to checkin.
- Net Control regularly offers his station to assist new net control operators.
- Ask another club member, and someone will be happy to get you on the air as well. I am more than willing to offer up my station to allow a ham to check-in to the net.
- All check-ins count for 1 raffle ticket per night. You can check-in to 2 meters, 440, or both, you will get 1 raffle ticket for that evening.
- Prize will be \$100 gift card. Donated by Art Zehner W7AUF and Hoodview.

2020 Board or Officer?

We have begun the process to nominate and elect the 2020 officers soon. Nominations were opened at the club meeting in October. We will take nominations at the November meeting and make up ballots for voting in December.

During the time before the November meeting, please take time to consider your roll in the Hoodview club. Is it your turn to step forward and help guide the club in 2020? Do you have some ideas to share with the board?

The club will be looking for members to run for President, Vice President, Secretary, Treasurer and two board positions. Chris KG7ADQ and Bryan K7BAT will be leaving their positions after serving for two years. Laura K7LQT has also requested to leave the board after December to take of their new baby. Leslie KJ7EZO will stay on for one more year.

Classy Radio Red Hatters

Have you seen women out and about wearing red hats or pink hats? They might belong to the Red Hat Society. It is an organization of ladies who want to have fun and friendship. If you have a XYL and they would like to meet with other ladies (hams or wives of hams) contact Cory for details. We get together once a month to meet and share friendship.

Last month we went out for lunch and then to the pumpkin patch where we got to ride a hay wagon, pick out pumpkins, and see farm animals. Pictured (R-L): Cory KA7IUG, Theresa, (Pat's Niece) , Judy XYL of W7YOY, Jackie, Patty Rae W7RED. Not Pictured: Pat W7DNS.
