Hoodview News

**General Club Meeting
on March 19th
at 7:30 PM
At Mt. Hood Community
College, Room 1001.
Hope to see you all there.**

To all Club members:

We, the remaining board members, are saddened by the events at the February General Meeting. Loosing club members and board members during the meeting was difficult. We wish the former board members well. We would like to recognize all of the work they have done for the club in the past years.

We will be collaborating and working together to unify the club. Our first step will be to fill the vacant positions on the board. The nominating committee consist of the remaining board members: Shaun N7TNP, Jim KA7AGH, Joel N7LF, Tommy KJ7HRA and joining them will be Rob KG7OTW and George W7GEO. We are looking for a President, Vice President, Secretary and two Board members. If you are interested in running for one of the positions, please see one of the committee members.

Our goal this year is to look forward and not backwards as the year progresses. As members you will still receive newsletters. We will have meetings and programs. We are still having classes and performing public service. Our repeaters will still continue to work.

Ham Radio is a hobby and our club is to provide a meeting place to socialize and to promote the exchange of ideas to further enhance the hobby of amateur radio (Hoodview Constitution Article II, Section F.) We need to bring the fun back to the club. Consider joining us for a Pizza Feed on March 14th. Details in the newsletter. 73,

Shaun Harteloo, N7TNP

Jim Schoch, KA7AGH

Joel Harrington, N7LF

Tommy Yeung, KJ7HRA

Refreshments Schedule

If you would like to see refreshments (cookies and juice) at the monthly club meetings, please see one of the board members.

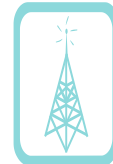

March Program Scheduled—Nominations and Elections.

March Technical Training Topic

March 28th—Continuing with DMR conversation with a focus on BrandMeister and Open Spots.
 April 25th-Technical Training will be hands on training on Public Service (March of Dimes).

Check into Two Hoodview Nets

The Hoodview Amateur Radio Club Information Net has been expanded both repeaters. The UHF Information Net will follow the VHF net at 7:45 PM or after the VHF net if it goes past 7:45 PM. This is an attempt to assist more local amateurs in checking in to our Club's Net and broaden our exposure. Club members are encouraged to volunteer to be net control of either net. Every Wednesday night:
 HARC—2 M net on 147.28 MHz, at 7:30pm.
 HARC—70cm net on 443.475 at 7:45 pm

Sunshine Committee Report

Please continue to think good thoughts and send some prayers to John W7SIR and Cory KA7IUG as they fight their cancer.

This is an open position. If you would like to volunteer for this committee position, please let one of the board members know.

Weekly Breakfast Gathering

Join us for breakfast every Saturday morning at Heidi's, 1230 NE Cleveland, Gresham. Conversation and coffee starts around 7:00am with the breakfast orders taken at 7:30am.

Treasurer's Report as reported at the March 2020 board meeting by treasurer, Jim KA7AGH. Jim reported that paid out dues, reimbursement checks, bought some stamps, and paid for the Christmas banquet plaques.

March for Dimes Volunteers Needed

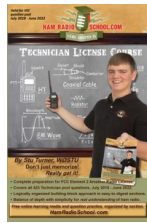

HARC will participate in the March of Dimes' March for Babies event on April 28th. This used to be called WalkAmerica but was changed to March for Babies so the public would know why they should participate in this walk.

The club has provide communications to assist walk officials, volunteers, and the walkers for thirty-nine years. This year the checkpoints and route will remain as they were last year. I should have more information at the April club meeting.

I will be taking names of members who would like to help out at the March club meeting. Assignments will be ready at the April meeting. We will need around twenty ham radio operators in different roles for about four hours on that morning. Please mark your calendar for this worthy activity. Contact me at ka7iug@frontier.com or 503-781-9095 to volunteer.

Ham Radio Classes

Technician Class will be held in March. Class will be held on two Saturdays with testing on the third Saturday. Classes start March 7th and continue on March 9th, testing on March 14th at Mt. Hood Community College's Fisheries building. Classes are from 9:00 AM - 4:00 PM. We will have a VE session on the last day at 9:00 AM—11:00 AM. Classes are free, but the book is \$23 and the VE test is \$15. Textbook: "Ham Radio School" by Stu Turner available online. **Be sure to get the new 2018-2022 edition.** To register call Cory 503-781-9095 or email ka7iug@frontier.com.

VE Session

The next VE session is scheduled to be held on Saturday, March 21st at MHCC in the Fisheries building in the lower northeast corner of the campus at 9:00. Please check out our website to see what you need to bring with you (photo identification, copy of license or CSCE, SSN or FRN, \$15).

Pam is always looking for VE helpers. If you are available to help or would like to earn your VE accreditation, then contact Pam KC7Q for details.

Dues Can Be Paid

Don't forget to pay your 2020 Dues! See Jim KA7AGH at the meeting or use page six and mail them in to the post office box. The other option is to pay them online using Paypal. The roster will be held up until we have a full board of directors. Membership dues entitle you to the online newsletter, a roster, full website access and voting privileges. Dues for 2020: Regular Member—\$20 or Family Membership—\$25

Hoodview Amateur Radio Club General Minutes

The full minutes of the February 20, 2020 General Meeting are available upon request and there will be copies available at the March meeting. They contain all of the letters of resignation and details of the meeting. They have been entered into the club documents. They will not be posted in the newsletter and put on the website for general public viewing. The minutes will be read at the March meeting for approval as stated in the HARC constitution (Article Four, Section B. #3).

Classy Radio Red Hatters

Our group met for a Galentine (Gal Pals and Valentines) Party complete with lunch, elementary school mail bags, valentines and learning how to decorate cookies. Jessica Schoch came to instruct us in cookie decorating. We tried to decorate six different shaped cookies. Epic fail but it was fun. And they taste good. She also did the baking. Pictured Seated: Ellen and Pat W7DNS, Cory KA7IUG, and Vicki xyl of KD7HHN. Standing (L-R): Dianne, Merilyn KJ7HDW, Pat W7RED, Cheryl, Sandy, Linda, Jackie, Leslie KJ7EZO, Judy xyl of W7YOY.
