# HOODVIEW NEWS

**General Club Meeting - April 15th at 7:30 PM. We will have a virtual meeting on WebEx. See newsletter, page 7 for details.**

## Greetings From the President –

I hope everyone had a wonderful Easter. Spring is upon us, and the weather is changing. We have now met a couple of times for coffee under the tree in Troutdale on Saturday mornings at 8:00 AM. It has been a little chilly, but it warmed up quickly. If you'd like to join us, weather permitting, grab your chair, a warm jacket, and maybe even a lap blanket. Also a good cup of your favorite beverage and possibly a snack or breakfast. Don't forget, your family and friends are always welcome. If you would like to know more, you can always ask during the Net on Wednesday night. Net control can give directions. I showed up Saturday and learned of an interesting software package that I am installing and registering. It's something I would not have learned about had I not been there.

With the beginning of Spring we start planning for June's upcoming events. Unfortunately SEAPAC will not be held in person again this year, but they are instead having online seminars. I do miss the club gathering at Seaside, hopefully next year we can return to the beach. I'm looking forward to seeing the remodeled Convention Center, with their changes to make it nicer for events.

At the end of June is ARRL's Field Day. Joel has graciously accepted the Chair for this event and is working on the paperwork. If you are interested in sponsoring a station, please let Joel or myself know. Joel is working with the Forest Service for the necessary permits and keeping up with any state Covid restrictions that may be in place at that time in order to keep us safe. This will all be presented during the May and June club meetings.

73, Chris Jensen KG7ADQ

**Hoodview Amateur Radio Club WB7QIW**  
**PO Box 951, Gresham OR 97030**

A non-profit organization organized exclusively for one or more of the purposes as specified in Section 501(c)(3) of the Internal Revenue Code, Vol. 17, No. 6. We are a Special Service Club with the ARRL.

**President:** Chris Jensen KG7ADQ

**Vice President:** Kenn Clulow K7ENN

**Secretary:** Shaun Harteloo N7TNP

**Treasurer:** Jim Schoch KA7AGH

**Board Members:** Rob Remler K7MR; Tommy Yeung KJ7HRA; Larry Bishop W4OPA; Dennis Desper KI7SJY; Joel Harrington N7LF

## Sunshine Committee Report

If you know of any other members that  
 need well wishes, please let Mary Taylor  
 know at 541-425-0213 or [marytay-lor.portorford@gmail.com](mailto:marytay-lor.portorford@gmail.com) .

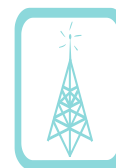

## March Program Scheduled

Selecting the Radio You Want  
 By N7TNP Shaun Harteloo

## Check into Two Hoodview Nets

The Hoodview Amateur Radio Club  
 Information Net has been expanded to  
 both repeaters. The UHF Information Net  
 will follow the VHF net at 7:45 PM or after the VHF  
 net if it goes past 7:45 PM. This is an attempt to as-  
 sist more local amateurs in checking in to our Club's  
 Net and broaden our exposure.

Club members are encouraged to volunteer to be  
 net control of either net. Contact Art W7AUF to vol-  
 unteer. Every Wednesday night:  
 HARC—2 M net on 147.28 MHz at 7:30pm.  
 HARC—70cm net on 443.475 at 7:45 pm

## New Roster Updates

Remember when you change your email address,  
 drop a landline or make other changes, please send  
 Cory KA7IUG an email so that the roster can be up-  
 date.

## Happy Birthday to our Members

KE7AOA	Richard Berney	04/02
K7JPX J	John Prescott	04/03
KA7WOF	Dave Gettman	04/07
W7LRM	Loren McCurdy	04/13

W7KEO	Ken Owen	05/25

### **Club Patches**

We have these beautiful patches in stock. You can request Jim KA7AGH to meet up with you to purchase either size. The cost of the patches will be \$5 (3.5 in) and \$20 (10 in). Two sizes: ten inch, two color (blue and white for jackets) and 3.5 inch, colored (white, green and blue for shirts and hats).

### **Hoodview's Facebook Page**

Did you know that the club has a Facebook page that we share information about classes, activities, etc. for club members and interested hams. The page is Hoodview Amateur Radio Club—WB7QIW. To join just like the page and click join. You will be asked if you are a ham (call sign) or interested in ham radio. Check out <https://www.facebook.com/groups/709367785838462/>

### **HARC March General Meeting Minutes**

March 18th, 2021; 7:30 PM Virtual via WebEx

Chris, KG7ADQ called the meeting to order @ 7:30 PM, and called roll through the board. All board members present except Larry W4OPA.

#### **Guests:**

Brent KJ7RPL, Christine and Bob Flagler, Josh Nicholas, Steven 'Etienne' Scott K7ATN, Dina K7GAL, Joel W6TC, Darren K7NWT, Samuel KK6HXG, Richard K3MTB, Marino KG7EMV, Gordon AE7GW

Chris turned the meeting over to our presenter Greg, KJ7EHA. Program was Summit on the Air.

February General Meeting Minutes: Shaun, N7TNP reported that the minutes from the February General meeting were printed in the newsletter. Cory KA7IUG made a motion to accept as printed in the newsletter. Dennis KI7SJY 2nd. Motion passes.

Treasurers Report: Jim reported that the Treasurers report was printed in the Monthly Newsletter. Shaun N7TNP made a motion to accept the Treasurer's re-

port as printed in the newsletter. Rob, K7MR 2nd's. Motion passes.

Sunshine Committee Report was printed in the newsletter.

Constitution Changes: Per the requirements (constitutional/by laws) and the board recommended motion, Shaun read the proposed constitution changes at the club meeting, and shared the text of the changes proposed.

Repeater Hardware: Due to the 3 Ghz Spectrum Auction, the board has brought an expenditure request to the membership. The board would like to spend 2000.00 for replacing the hardware on Mt Scott, and at Mt Hood Medical Center. Rob, K7MR made the motion to authorize the expenditure. W7AUF 2nds. Motion Passes

Cory KA7IUG reported that the club is having their first VE session in over 1 year. The VE session will be at Troutdale Community Church on 3/20/2021 @ 9AM. The session was full as we have a max of 12 testers and 5 VE Volunteers.

Chris KG7ADQ, adjourned the meeting at 8:39 PM

Respectfully Submitted,  
Shaun Harteloo N7TNP, Secretary HARC

**Treasurer's Report** as reported at the April 2021 Board meeting. Jim emailed the report to board members prior to the meeting. We received one dues and paid out trailer insurance and bought some stamps. Bank and Report balanced. Discussion is noted in the minutes. Shaun N7TNP made a motion to accept the treasurer's report. Joel N7LF seconded the motion, Motion passed.

#### ***CURRENT BALANCE***

General Fund	\$ 5,706.32
Repeater	\$ 7,443.68
Training	\$ 115.47
Scholarship	\$ 2,239.87
<b><i>TOTAL FUNDS</i></b>	<b>\$15,505.34</b>

## **April 2021 Board Meeting Minutes**

April 1, 2021; 7:30 PM Virtual via WebEx

Chris, KG7ADQ called the meeting to order at 7:32 PM, and called roll through the board. All board members present were except Tommy KJ7HRA. Guests were Denny WB7UFJ and Cory KA7IUG.

**Secretary Report:** Chris asked Shaun N7TNP about the Secretary Report. Shaun reported that the Sec. Report was published in the March Newsletter. Jim KG7AGH moved to accept the March Board Secretary report as printed in the newsletter. Dennis Seconds. Motion passes

**Treasurers Report:** Jim covered the Treasurers report and emailed in earlier in the day. Shaun, N7TNP moved to accept the treasurers report as Jim reported and was emailed to the board. Joel N7LF seconds. Motion Passes

### **Committee Reports:**

- **Sunshine:** Dan Ekman and his wife are recovering from COVID-19. Cory had surgery and is recovering.
- **Policies and Procedures:** The board approved the constitution changes via email on March 14th. (ATTACHED as APPENDIX A) Policies require 2 readings of changes at club meetings and the first was completed in March. Kenn will announce the changes on the information nets over the next several weeks.
- Cory reports that there will be no spring banquet due to COVID-19 restrictions.

### **Programs:**

- April: How to Select a Radio by N7TNP
- May and June will cover Field Day 2021

**PDX Net MOU:** City of Portland NET has returned the MOU with modifications. Jim will review. Chris asked if the board needs to approve, board confirmed that it was not necessary.

**VE Testing:** Church VE session went well. The church recommended a \$25 donation to use their facilities to cover costs associated. Jim made a motion to donate \$25 per use of the church, Shaun 2nds. Motion passes.

**President's Box:** Chris is assembling the President's Box.

**ARRL Field Day:** Joel filed the permit application for FD on Larch Man with the Forest Service. Joel included statements for 2020 about COVID restrictions in his application this year, and suggested that the forest service would follow state guidelines. Joel will re-file if restrictions changes, but expects the permit to be approved with similar restrictions as 2020. If thing change for 2021 Joel asked Chris if he was able to tow trailer to the hill. Chris is currently uncertain, but will make effort.

**Used Radio Gear:** The Multnomah county radio shop offered gear to HARC as a donation. Joel went to pick it up. So far 3 truckloads of gear was picked up, there is one load left. We need to inventory, and determine what is worthy of sale and what needs to be thrown away. Joel suggested that we allow members to pick through prior to trashing. Joel wants to send a thank you letter to the county, and Cory says she has club stationary.

**Report Motions:** Members should make motions to accept the treasurers report at general meetings. This is to allow member participation.

**Repeaters:** Joel reported that 3Ghz may still have an amateur allocation, and we may not need to decommission our 3ghz link between MHMC and Mt Scott. Jim and Joel plan on adjusting channels being used and using the link to provide Jim's DMR repeater on Mt. Scott with an internet connection. This will apply usage of the link which will 'stake a claim' on the spectrum space. Chris asked that Jim and Joel continue work on establishing the voting receiver system.

**The Tree:** Jim asked Rob if there was plans to continue gathering at the 'Tree' on Stark and Troutdale Rd on Saturdays. Rob said yes, and Cory said she would put it on Facebook. Shaun said he would send an email to the members.

Kenn moves to adjourn. Shaun Seconds. Meeting is adjourned at 8:25 PM.

Respectfully submitted, Shaun Harteloo, N7TNP  
Secretary HARC

### Constitution, Policy and Procedure Committee

We have been meeting for one year after being appointed by last year's President Joel Harrington, N7LF. This year Chris KG7ADQ added another member to the committee. Our goal was to make some changes to the constitution that the Oregon Department of Justice suggested. We have worked hard on the wording for each proposed change. We also checked out the regulations in the Oregon State Statutes for non-profit organizations and we researched other ham radio constitutions.

According to our current constitution we have laid out this timeline to work on the current proposals.

- March 18<sup>th</sup>—General meeting, first reading and discussion. DONE.
- April newsletter will also include the proposed

changes for members to read.

- April meeting – second reading and vote if no new changes.
- May 1<sup>st</sup> - submit constitutional changes to DOJ and Secretary of State with incorporation renewal. And the one year anniversary of the DOJ recommendations.

Rob Remler, K7MR  
Shaun Harteloo, N7TNP  
Cory Schoch, KA7IUG  
Kenn Clulow, K7ENN

Document	Action	Wording to Constitution	Comments
Constitution: ARTICLE TWO PURPOSE, SECTION B. Japanese Sister City Cultural exchange	Delete	1. To sponsor and promote the exchange of culture develop friendly relations and understanding and to work closely with the Sapporo Amateur Radio Club of Japan to further the cause of amateur radio.	No longer doing this with the Sapporo Amateur Radio Club since it is no longer a club. Then change C to B, D to C, E to D, F to E
Constitution: ARTICLE THREE MEMBERSHIP	Add SECTION C. Expulsion	Expulsion for just cause of a member can only result from a recommendation from the Board of Directors and a two-thirds vote of the members present at a regular meeting.	This would apply for any regular or associate members that has caused harm to any other member(s) or the club.
Constitution: ARTICLE FOUR, SECTION A. Officers of the Club	Add #3.	No two or more members who are related by immediate family status or reside in the same household may serve on the executive committee concurrently as directors or officers during their term of office.	DOJ Recommendation: This would apply to President, Vice President, Secretary, Treasurer, Past President or Board Positions 1-4.
Constitution: ARTICLE FOUR, SECTION E. Removal from Office	Change #1	Current wording is: Any officer may be removed from office by a three quarters vote of attending members at any meeting. Change to Any officer may be removed from office by a two thirds vote of attending members at a <b>regular</b> meeting.	This would change from 3/4 to 2/3 which would make it the same as expulsion of the club. AND change the word any to regular.
Constitution: ARTICLE 5, SECTION A. Regular Meetings.	Add #2.	Current wording is regular meeting shall be held monthly. Add #2. A regular meeting may be an in-person or virtual.	

### **Hoodview Holds First VE Session**

On March 20th, Hoodview Amateur Radio Club VEs held their first ham radio test session in a full year because of Covid-19. New health protocols were established including temperature checks of both the VEs and the candidates, assigned seats, and pre-registrations (no walk-ins). We were able to do the testing at the Troutdale Community Church thanks to K0INE Gary Brumbelow, who is a club member and pastor at the church.

We had ten test takers and eight of them passed which gave us six new techs and two generals.

The VEs for the day were Pam KC7Q, Denny WB7UFJ, K7GNR Henry, and KA7AGH Jim (picture taker).

Our next VE session will be on May 15th. If you are a VE examiner that would like to help, please contact Pam KC7Q. She will be coordinating the volunteers for that session. We must keep our numbers down so only those scheduled to volunteer can be in the room.

### **VE Testing for Ham Licenses**

Exam Candidates: You are REQUIRED to register in the FCC CORES system and receive a FCC Registration Number (FRN) before exam day. Candidates could go directly to the FCC CORES User Account and Registration page: <https://apps.fcc.gov/cores/userLogin.do>. VECs are required by the FCC to submit your FRN with your license application form. New license applicants should create an FCC user account and register their Social Security Number (SSN) in the FCC Commission Registration System (CORES) before attending exam sessions. Registrants will be assigned an FRN which will be used in all license transactions with the FCC.

Effective on June 29, 2021, amateur radio licensees must provide the FCC with an email address on all applications. If no email address is included, the FCC may dismiss the application as “defective.” Once an email address is provided, the FCC will email a link to an official electronic copy of the license grant. An official copy will also be available at any time by accessing the licensee’s password-protected Universal Licensing System account.

Here are a few of the upcoming local VE sessions:

#### **4/11/2021—Vancouver, WA**

Time: 10:00 AM (No walk-ins/register or call ahead)

Contact: Wayne Schuler (360) 892-5580

Email: [ai9q@arrrl.net](mailto:ai9q@arrrl.net)

Location: Salmon Creek American Legion

14011 NE 20th Ave, Vancouver WA 98686-1442

#### **4/11/2021—Battle Ground, WA**

Time: 10:00 AM (No walk-ins/register or call ahead)

Contact: Barry A. Wells Email:

### Virtual Meeting Information.

We are currently hosting our meetings online since we can not gather. Shaun N7TNP wrote up these simple directions for members to follow. If you need additional help. You may call/email him at kf7skb@gmail.com or 503-512-0199.

#### ***Joining a HARC WebEx Virtual Meeting***

Click the 'Join Meeting' link in the email you received from Hoodview Amateur Radio Club. You will be prompted to download the WebEx Meeting Client, if you do not already have it. Once it is downloaded open the file.

You will get a new window that asks for your **Name and Email Address**. Please enter your name and an email address, as this allows us to track attendees.

Click on Next, and then select to disable video, and mute your microphone. This is a best practice for HARC meetings to reduce background noise (mute TV, music, cell phones) and bandwidth usage. You can use your computer for audio, or dial in with a telephone. Select from the drop down in the middle what you plan on doing, and follow the instructions. The call in details will pop up once you click on join meeting.

Once you are in the meeting you can control meeting settings like mute, and other features with the 7 circles at the bottom center of the WebEx application. You might have to move your mouse over WebEx to see the options in the window.

### Gatherings in the parking lot or at the "Tree"

With warmer weather coming soon and longer days, it may be time to start our outdoor social gatherings again. Last year a number of members met in the Lowe's parking lot for Saturday night bring-your-own dinners.

K7MR has issued an invitation to all members to meet him under the tree on Saturday mornings at 8:00 am for coffee and conversation time. Bring your own chair, your own coffee and breakfast. We hope to see many of you there. The tree is located on the corner of SE Stark and SE Troutdale Road. We had 17 people at the first gathering last week. And 12 the second week. In both cases, we had fun!

Our first dinner is scheduled for May 15th in the Wood Village Lowe's parking (north end).

Check into the net on Wednesday night or check the Facebook page for these impromptu gatherings. They are always weather dependent (wind, rain, sunshine).

## World Amateur Radio Day (WARD) 2021

World Amateur Radio Day 2021 is Sunday, April 18. On that day in 1925, the International Amateur Radio Union was formed in Paris. Today, the IARU is a worldwide federation of national amateur radio organizations. The IARU has chosen "Amateur Radio: Home but Never Alone" as its 2021 theme, acknowledging the many ways throughout the COVID-19 pandemic that amateur radio has remained a welcome respite for its variety of activities and opportunities -- even helping overcome online fatigue and social isolation. ARRL has information to help all radio amateurs plan for World Amateur Radio Day.

## Clarification of FCC \$35 Fee Collection Start Date

Contrary to what you may have heard or read, the collection of application fees for the amateur radio service and certain other services will NOT begin on April 19, 2021. Although April 19, 2021 is the date the rules in the FCC Report and Order adopted last December generally take effect -- i.e., one month after the R&O was published in the March 19, 2021 Federal Register -- certain parts of those rules, including collection of the application fees for the amateur radio service, will NOT begin on that date. The effective date for new amateur radio fees has not yet been established. The FCC explicitly states in the published notice that the fees will not take effect until: the requisite notice has been provided to Congress; AND the FCC's information technology systems and internal procedures have been updated; AND the Commission publishes [FUTURE] notice(s) in the Federal Register announcing the effective date of such rules. The League's counsel for FCC matters estimates that the effective start date for collecting the fees will be some time this summer, but regardless of the exact timing we will have advance notice.

Keep in mind that one can only renew their amateur license within 90 days in advance of the expiration date. If you, or a club station license you are trustee for, are within that 90 day window now, I'd renew as soon as possible to avoid the new fee. If you are thinking of switching to a vanity call sign, I'd also seriously suggest you apply for that special call sign sooner rather than later. 73; Mike W7VO

## 7QP QSO Party!

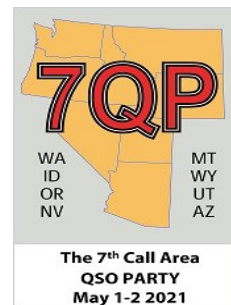

The 15th annual 7QP will run this year on Saturday, May 1. Based on number of logs received last year, 7QP is the 3rd largest QSO party in the country and growing. For the past several years we have had all 36 Oregon Counties on the air. All kinds of 7QP info is available at

[www.7QP.org](http://www.7QP.org). One reason 7QP has been so successful it that we share the weekend with three other QSO parties: New England, Indiana and Delaware. We use the same exchange format, we have unique county codes, and we sort contacts that don't count in scoring so you can send your log to all four without having to edit your log, just copy their whole exchange. Covid 19 is still among us and will probably impact some of the multi-ops. I put a Covid-specific allowance for those who want to try a "distributed multi-op", the only constraint is that all stations must be within the same county.

Remember the digital category or in mixed mode. Any digital contact counts 4 points! We can help out all those guys looking for Oregon on RTTY or PSK. The digital modes provide another way to get new operators with modest stations into the activity on HF. Unfortunately FT4 and FT8 will not work, the 7QP exchange is not compatible. And if you log on a computer, please email us a copy of your log even if you don't care to compete for an award. It helps us score the event. A convenient Web Form is available to paste your log into.

Suggestion: If you are not using a computer logging program, now is the time to get into it. Even if you are using another program to track your QSOs, DXCC, etc, you can easily export your log from N1MM back into it when the contest is over. Not only that, there are three other QSO parties that also use our weekend. N1MM is the only one that will let you log their exchange as sent. You can then enter these by sending your log to them. It helps us and them too.

Talk it up when you can to your local club about the 7QP. Your support and enthusiasm for this event is the backbone of the participation in Oregon. And remember to put May 1st on your calendar so you don't get pre-scheduled. I look forward to hearing from you and, as always, thanks for your support of the 7QP. 73, Dick Frey, K4XU,

**Renewing Your Dues**

There are many ways to do renew your membership while we are still meeting virtually. We hope you will join us for another year. You can fill out the form on the last page and mail it in to the PO Box or you can renew using Paypal from the club website. If you have trouble logging in then reach out to Shaun or Cory for help. Remember if you use Paypal, please check for your auto renew status before renewing. Some members have auto-renew set up and by paying earlier than your renewal date, you may pay twice for your membership, which will cause us to return your second payment. You will find this in Paypal and not on the wb7qiw.org website. Here are the directions to find your Paypal status or leave it as it is.

- Login to Paypal and go to settings
- Click payments
- Go to Manage Automatic Payments
- Select Hoodview from the list
- Renewal Date Amount etc. will be presented
- Cancel on this screen

**Membership Sponsorship**

During this difficult time of Covid, we have had a few members who have donated to a sponsorship fund for membership. If you or someone you know needs help with your/their membership dues, send Jim KA7AGH an email. Sponsorship help with be kept confidential.
