HOODVIEW NEWS

General Club Meeting - November 17th at 7:30 PM.
We will host a hybrid meeting: in-person and virtually on WebEx. In person at Mount Hood Community College, Room 1001 (south end of the main campus) and you will receive a link emailed to you next week.

From the President's Desk – Kenn Clulow K7ENN

It's November already.... Where has this year gone? It seems only a short time ago we had just taken down our Christmas decorations, said our "Happy New Years" and began the club's year. Now this year is rapidly coming to a close.

The upcoming club meeting will be November 17th at 7:30 PM. For those wishing to join us in person, we will meet as usual at Mt. Hood Community College Room AC-1001 at the south end of the campus. WebEx will be available for those who are unable to join us in person. This month's program will be an overview of the various repeaters available, by Joel – N7LF.

Nominations for the 2023 Officers will be open from the floor during this meeting and will close at the end of the meeting. No nominations may be taken during December's meeting. We are still looking for potential candidates for the offices of President, Vice President, Secretary, and Treasurer. If you are looking to nominate someone for any of the offices, we do ask that you secure their permission prior to nominating them. Any member of the club holding a valid FCC License is eligible for any of the available offices.

Our Winter Banquet will be December 3, at 6:00 PM at Ristorante di Pompello in Troutdale. This year there will be plenty of options available. Once this is on the website, please make sure to get your reservation in.

Upcoming contests:

November 19-21: **Nov. Sweepstakes – Phone**

December 2 – 4: **160 Meter**

December 10 – 11: **10 Meter**

December 18: **Rookie Roundup-CW**

Details on the contests can be found at <http://www.arrl.org/contest-calendar>

I look forward to seeing everyone at the meeting.
73, Kenn – K7ENN

Breakfast Gathering: Join us for breakfast every

Saturday morning at Heidi's, 1230 NE Cleveland, Gresham. Conversation and coffee starts around 7:00am with the breakfast orders taken at 7:30am.

Hoodview's Simplex Net: Our next simplex net will be held Tuesday November 22nd at 7:30 PM on 147.480 MHz. If 147.480 MHz is in use, the alternate frequency 147.520 MHz will be used. Check out this fun way to prepare for no repeater coverage just in case we are without the added help of our repeaters. We would like to encourage more people to check in to the simplex net. Those who are participating are getting better at this form of communication. It is great test of our gear and see who we could hear. We look forward to hearing you.

HARC General Meeting (Hybrid) **October 20, 2022**

In person meeting held at MHCC, Rm 1001. President, Kenn, K7ENN, called General Meeting to order at 7:47pm. In-person Officers and Board Members present: President, Kenn, K7ENN; Vice President, Larry, W4OPA; Secretary, Ryan, KI7MGC. Board Members: Shaun, N7TNP; Rob, K7MR; Past President, Chris, KG7ADQ.

Kenn, K7ENN, opened with welcome comments and introduction of Officers and Board Members. Reminder to all that if help or technical assistance is needed, please contact Officers or Board Members by using board@wb7qiw.org as email contact.

Secretary Report: Ryan, KI7MGC, reported the September General Meeting minutes were published in the October 2022 newsletter. Josh, K7OSH, made motion to accept Secretary's report as posted in the newsletter. Paul, AI7JR, seconded. Motion passed.

Treasurer Report: Kenn, K7ENN, briefed Treasurer's Report in October Newsletter as George, W7GEO was absent from the meeting and had provided it while he was away. Marty, KJ7WOH, made motion to accept Treasurer's Report as posted in October Newsletter. Chuck, W7HDF seconded. Motion passed.

Sunshine Committee: No Report.

Nominating Committee: Kenn, K7ENN, reminded everyone that December elections are coming up. The Board has decided that voting will be held only for those attending the meeting in person. The rest of the meeting can be online, but members must be physically present to vote. Starting this month, floor nominations to be opened for President, Vice President, Secretary, Treasurer, and Board Member positions. Paul, AI7JR asked where the voting will be held. It was announced voting would be held at the regular club meeting room at Mt. Hood Community College, Room 1001.

Presentation: Rob, K7MR, spoke about the club calendar of activities and events and the interest

of many to get together again post-pandemic in the interest of using our radios to benefit people both in the community and involvement in the club. Opportunities in the community were mentioned:

- Hood to Coast Marathons
- Oregon Rally
- ARES nets
- Monthly Tech Classes
- Restricted Antenna Install
- Mesh Network
- Mobile Installs
- Repeater Overview
- Swap Nets
- Fox Hunts

- Inviting someone to speak on Club Net once per month in addition to roll call and having guests be in an "honored spot" during nets
- 10 10 International
- 10 Meter Contests 2nd Weekend in December
- Worked All States
- FEMA net 3rd Wednesday of the month
- Military Radios

The April 2022 Newsletter was brought up on screen during the meeting and can be referenced for a more comprehensive list of the activities that were listed earlier this year by club members who expressed interest in them.

Steve, WA7HAA brought up DMR nets on Mondays. Josh, K7OSH said he was interested in building gear and antennas. Rob, K7MR, stated that these discussions can help members know who to reach out to if they want to work on a particular facet of the hobby. Members can also contact the board directly and the board will make every effort to connect people. Rob said members are free to reach out to him directly with ideas. Kirk, KG0INS, said in order to make club nets more engaging, he will "mix it up" from time to time. Shaun, N7TNP said he would post a list of popular nets on the club website.

Renewals: There were 4 members who renewed their annual memberships at the meeting:

- Richard Berney KE7AOA, Don Greer KJ7CHL,
- Chuck Morris W7HDF, Denny Doolittle WB7UFJ

Thanks Members!

(General Minutes continued on Page 4)

(General Minutes Continued)

Announcements: Chuck, W7HDF, stood and said some words about Henry who became a Silent Key on October 1st, 2022. Chuck brought some nice pictures of Henry and friends for the club to look at. In April, 2023 there will be a celebration of life for Henry on April 22, 2023, in Welches, OR and 2 weeks following the celebration on May 6th, 2023, there will be a Ham swap meet at the Lions Club in Welches where some of Henry's equipment will be sold. Henry was a Navy Sailor and spent time on submarines. Later, he was a Boy Scout leader and mentor to scouts who he got involved in Ham radio. He enjoyed firearms, trains, and collected military vehicles. He was a VE for the club as often as he could get there. Chuck will ensure updates on the dates are sent to the club as we get closer to the time of the Celebration of Life and Swap Meet.

New Business: Rob, K7MR, moved to open nominations for 2023 Officers and Board Member positions. Kirk, KG0INS, seconded. Floor was open for nominations. Kenn, K7ENN, reminded the club that there were 3 people nominated for two board positions thus far. Election Date is December 15, 2022. Members can go to club website to review by-laws and constitution along with job descriptions: <https://www.wb7qiw.org/club-documents/>. Kenn, K7ENN, briefly summarized each position for the members who were present. Ryan, KI7MGC, nominated himself as a candidate for the Secretary position.

Nominations will close at the November 2022 General Club Meeting. Members can also nominate themselves or anyone else by emailing the board. Please remember to have a discussion with who you would like to nominate before nominating them.

It was further briefed why the Board decided to have in-person only voting this year as there were problems with the online polls and ensuring all votes were anonymous. In some cases, some households only got one vote even though multiple members were in the household.

A question of online voting was brought up and an alternative was suggested to what was previously done. Kenn, K7ENN, would look at cost and bring it before the board in November. The board does not want to exclude anyone from voting.

Further, the social aspect of the in-person election was discussed in that the Board approved upto \$150.00 for refreshments and the previous Board Meeting. So far the following refreshments had been suggested by the board:

Mini cupcakes & Cookies

Decaf coffee & Soda (Diet/7up)

Veggie and fruit trays

No other suggestions were made during the meeting.

Other Announcements: Suggestions for the 4th Saturday classes were called for during the meeting: "Hands on" going over electronic components. No other suggestions were made during the meeting, however if anyone has any suggestions, please reach out to the Board.

Josh, K7OSH, reminded members that he is hosting a QDX kit building party at his home around the middle of November. If interested, please contact him directly and he can send you a link to the kit. There are currently 10 people attending with potential for 13.

50/50 Raffle: \$27.00 total. \$13.50 awarded to the winner Bruce, KG7WKM who donated it back to the club scholarship fund. Thank you, Bruce!

Reminders:

Please review your WB7QIW profile, update as needed.

HARC Board meets first Thursday each month at Elmer's in Gresham, 7pm. Arrive earlier if you would like to eat prior to meeting.

HARC Sx Net Control on Tuesday, October 25th, 2022 at 7:30pm on 147.48 sx. (alternate: 147.52 sx)

Saturday Tree gathering after Heidi's breakfast

Motion to adjourn was made and passed at 9:07pm.

Respectfully submitted by club Secretary, Ryan, KI7MGC.

Upcoming Elections

Our annual elections are rapidly approaching. October and November club meetings will have open, from the floor, nominations being available. Our December meeting will be our elections of officers for the 2023 year. Per our Constitution and Bylaws, we are unable to accept any nominations during that meeting.

The board has decided that elections will be in person at the college. We encourage everyone to attend as there will also be the social portion of the meeting with everyone mingling and having a nice relaxing time while ballots are being tabulated.

During the social portion of the meeting, the club will be providing some light refreshments. We will be seeking some input from the members during the October meeting as to what will be provided. I look forward to seeing everyone at the next few meetings.

Renewing Your Dues

There are many ways to do renew your membership while we are still meeting virtually. We hope you will join us for another year. You can fill out the form on the last page and mail it in to the PO Box or you can renew using Paypal from the club website. If you have trouble logging in then reach out to Shaun or Cory for help. Remember if you use Paypal, please check for your auto renew status before renewing. Some members have auto-renew set up and by paying earlier than your renewal date, you may pay twice for your membership, which will cause us to return your second payment. You will find this in Paypal and not on the wb7qiw.org website. Here are the directions to find your Paypal status or leave it as it is.

- Login to Paypal and go to settings
- Click payments
- Go to Manage Automatic Payments
- Select Hoodview from the list
- Renewal Date Amount etc. will be presented
- Cancel on this screen

General Club Meeting

We will be meeting at Mt. Hood Community College. It will be a Hybrid Meeting; both in person and it will also be available on WebEx. A link will be sent out early next week for those that would like to join us from home. Our meeting room will be 1005 at this time. This is located in the #10 building, located on the south end of the main campus. Parking near the pond is recommended. Join us on November 17th at 7:30 PM.

Hoodview Simplex Frequency

Did you know that if our repeater goes down during an emergency or is being used by MCARES, that the members of Hoodview Amateur Radio Club should check in on the 443.475 repeater or use 147.48 Simplex and 147.52 Simplex? We will monitor those frequencies to offer assistance if available.

VE Testing for Ham Licenses

An ham radio licensee must provide the FCC with an email address on all applications. If no email address is included, the FCC may dismiss the application. The FCC will email a link to an official electronic copy of the license grant. An official copy will be available by accessing the licensee's password-protected Universal Licensing System account. You must also register in the FCC CORES system and receive a FCC Registration Number before exam day. Candidates could go directly to the FCC CORES User Account and Registration page: <https://apps.fcc.gov/cores/userLogin.do>. Applicants should create an FCC user account and register their social security number in the FCC Commission Registration System before attending exams. Registrants will be assigned an FRN which will be used in all license transactions with the FCC. The current cost for taking a test is \$15 at the examination time. **Plus you will be assessed a \$35 from the FCC which must be paid within ten days.**

There is a new group of online examiners in our area. If you are interested in taking an online exam, you should contact the AA7HW VE TEAM. They have many available dates. Contact: Herb Weiner, email herbw@wiskit.com or 503-771-1400. There is a web address: <https://aa7hw.org/>

Hoodview's Facebook Page

Did you know that the club has a Facebook page that we share information about classes, activities, etc. for club members and interested hams? The page is Hoodview Amateur Radio Club —WB7QIW. To join just like the page and click join. You will be asked if you are a ham or interested in ham radio. Check out <https://www.facebook.com/groups/709367785838462/>

Check into the Hoodview Nets

The Hoodview Amateur Radio Club Information Net has been expanded to both repeaters. The UHF Information Net will follow the VHF net at 7:45 PM or after the VHF net if it goes past 7:45 PM. This is an attempt to assist more local amateurs in checking in to our Club's Net and broaden our exposure. Club members are encouraged to volunteer to be net control of either net. The net is held every Wednesday night:

HARC—2 M net on 147.28 MHz at 7:30pm.

HARC—70cm net on 443.475 at 7:45 pm

Club Patches Available

We have these beautiful patches in stock. You can request George W7GEO to meet up with you to purchase either size.
