**August 17th—General Club Meeting - In Lieu of the meeting we will be having the Annual Club Potluck Picnic at Red Sunset Park. Arrive after 5, dinner at 6. See page one and page six for details.**

## From the President's Desk – Rob Remler K7MR

I hope everyone is having a nice summer and including radio in some of your plans. In keeping with our goals of getting on the air and having some social activities we are reminding everyone that the August General meeting scheduled for August 17<sup>th</sup> will be a picnic at Red Sunset Park. We have reserved one of the covered areas and burgers and buns will be provided. This will be potluck style but it is also my wife's birthday and she said for me to choose (I did invite her) so my attendance is in question but some homemade potato salad sounds really good. Drinks and chips are also welcome. Come, relax with others and connect. It doesn't have to be all about radio. If you have a name badge try to bring it. I'm still trying to get to know others in the club. If you haven't been able to join us for a while this is a great opportunity to come say Hi. Usually someone is there by 5:00 and the grill gets going about 6:00.

If you have outside projects that are still needing time and support the picnic is a great time to connect with others who may be able to give you a hand.

Our weekly simplex net on Tuesday nights (7:30 on 147.480) has been put on hold as some have been out of town and/or have summer activities to attend to. We will include this net as a part of our September conversation and decide how to proceed at that time. The original goal of the simplex "talk around" was to encourage the use of simplex in case our repeaters went off the air or infrastructure was interrupted. Over the last two years that goal was accomplished. This frequency is still identified as a place to tune in to connect by our club as well as an alternate of 147.52 and I like using it but at times it has been limited in who we can reach here on the east side of the Metro area. Let me know if you have any thoughts on how this net could be used as we consider what to do next.

(It's hard to believe we already are thinking about this) Our September General meeting will be about Club activities and looking toward our next calendar year. We will have some board members discuss explain their role in the club. This is a great time to ask questions and get to know how things work and what our procedures are. Let us know if you would like to join us sometime. In October one of the things that needs to be taken care of is nominations for the 2024 calendar year. Nominations close in November which leads to the elections. Our December meeting plans are for a social after the election results are in. If you are interested in serving, connect with someone who has or is currently holding a position and get their thoughts on what it was like. But for now....

...Enjoy your summer and be safe.

### August General Club Meeting & Program:

Picnic and socializing first and foremost. Power Pole Kits parts have been received and they will be available this August club meeting for pickup.

### Weekly Breakfast Gathering

Join us for breakfast every Saturday morning at Heidi's, 1230 NE Cleveland, Gresham. Conversation/coffee starts around 7:00am with breakfast orders taken at 7:30am.

### Sunshine Committee Report:

We wish everyone well. Please keep all of our members in your thoughts and prayers that are ill or recovering.

We need a new sunshine committee chair. Most of this means sending out birthday wishes and get well cards, maybe a few sympathy cards. But until a new chair comes forward if you know of any members that need well wishes, please let one of our board members know.

### Roster Updates:

Remember when you change your call sign, email address, drop a landline or make other changes, please send Cory KA7IUG an email at ka7iug@frontier.com so that the roster can be up-date.

### Happy Birthday to our Members

### Hoodview's Facebook Page:

Did you know that the club has a Facebook page that we share information about classes, activities, etc. for club members and interested hams? The page is Hoodview Amateur Radio Club —WB7QIW. To join just like the page and click join. You will be asked if you are a ham (call sign) or interested in ham radio. Check out <https://www.facebook.com/groups/709367785838462/>

**Check into the Hoodview Nets:** The Hoodview Amateur Radio Club Information Net has been expanded to both repeaters. The UHF Information Net will follow the VHF net at 7:45 PM or after the VHF net if it goes past 7:45 PM. This is an attempt to assist more local amateurs in checking in to our Club's Net and broaden our exposure. Club members are encouraged to volunteer to be net control of either net.

The net is held every Wednesday night:  
 HARC—2 M net on 147.28 MHz at 7:30pm.  
 HARC—70cm net on 443.475 at 7:45 pm

### **HARC General Meeting July, 20, 2023**

In person meeting held at MHCC, Rm 1001. Vice President Josh, K7OSH called the meeting to order at 7:32pm. In-person Officers and Board members present: Vice President, Josh, K7OSH and Secretary, Peter, KE6JPM.

**Secretary Report:** Peter, KE6JPM, reported that the June 2023 General Meeting minutes were published in the July newsletter. Chris, KG7ADQ, made a motion to accept the minutes as published. Alan, seconded and the motion passed.

**Treasurer Report:** George, W7GEO, submitted his report via Josh. Chris made a motion to accept the report as provided. Chris, KG7ADQ seconded and the motion passed.

**Sunshine Committee:** Nothing to report. A chairperson is still needed. The duties include B-day cards, Get Well Cards, Condolences, etc.

**Announcements:** The August Meeting will be the annual Picnic at Red Sunset Park starting at 5:00pm. It will be a potluck with the Club supplying the burgers. Please bring a side dish or dessert of your choice.

The Club will be providing Ham Radio support for the Cystic Fibrosis Hike on July 29, 2023. Please see Alan if you are able to assist on that day.

The Club may try to host a one-day event on Set. 9<sup>th</sup> during the ARRL VHF contest. Site and details TBA.

Winter Field Day is scheduled for January 27-28. The Club would like to participate. Site and details TBA.

The Power Pole Kits are in. Please see Josh to pick them up. A build party has not yet been scheduled.

Tech Class – The Club sponsored Tech class will be held in November. We are looking for volunteers to assist with teaching various modules. We are also looking for a Chairperson for this and other educational opportunities.

The Club repeater has been upgraded with a new power supply. The old one will be up for auction at a

later date.

New Club badges are available. Please see Cory, KA7IUG, for order forms.

The Tuesday Simplex talk around will be on Hiatus until September.

There will be a sign in sheet for the General meetings so please be sure to sign in every month.

The Directors approved a \$200.00 donation to the Corbett Fire Department for the use of the field for Field Day.

ARRL Field Day pins have sold out so the Club will not be able to present them to the FD participants.

**Program:** The program topic was a Field Day recap. The topics discussed included: what worked, what did not work, ideas for improvement, and site location. There is also a power point presentation and additional pictures on the website.

The meeting was adjourned at 8:15. Respectfully submitted by Club Secretary, Peter, KE6JPM.

**Club Patches:** We have these beautiful patches in stock. You can request KA7IUG Cory to meet up with you to purchase either size. The cost of the patches will be \$20 (10 in, two color blue and white) and \$5 (3.5 in, colored, white, green and blue for shirts and hats).

### **NEW Club Badges Available**

We will be taking orders for new club badges at the club meeting. The club is offering them for \$10 a piece. They are full color logo with your name, call sign and home location. You can get them in portrait or landscape format. Each one comes with a bulldog clip. Cory KA7IUG will have order forms at the club meeting for payment and ordering. Cash or Checks made out to HARC. Once the order is made the name tags will be available at the next meeting.

### **Public Service Event**

Our club supported the Cystic Fibrosis Extreme Hike event at Mt. Hood on July 29. Six members of the club helped man 5 stations along the hike path that went from Joe Graham Horse Camp tail head on the PCT to Timberline Lodge. Thankfully our services were not needed to assist an injured or lost hiker, but the event organizers were very thankful we were there just in case. Cellphone service was spotty and unreliable along the trail. We provided the hikers with FRS radios that got to our locations, where we had access to on-site EMT personnel and 2M repeaters. The event raised over \$42,000 for CF.

Many thanks to

- Alan N7AKG
- Catherine W5DZG
- Scott KK7HTV
- Gordon KK7NMI (not a member yet but soon)
- Denny KB7UFJ
- Roland KG7BBI

And Garrett KD6KPC who loaned us his 6 FRS radios for the hikers to use.

## Hoodview Amateur Radio Club 2023 ARRL VHF Contest Guide

**Hoodview ARC** will be participating in the 2023 ARRL September VHF Contest and everyone is welcome! This guide provides the essential details to plan your participation.

**Contest Objective:** Amateurs in the US and Canada work as many stations in as many different 2 degrees x 1 degree Maidenhead grid squares as possible using bands above 50 MHz.

**Dates:** The second full weekend in September (September 9-11, 2023)

**Contest Period:** Begins 1800 UTC Saturday, ends 0259 UTC Monday. This year HARC will provide at least 3 stations operating on the HF and VHF bands. If you are an experienced operator or a newly licensed ham, you will find that this is a great way to get in some operating time on a mode or band you have never operated, learn to set up a portable station, try out new radios and just spend time with your fellow club members.

**When:** Saturday, September 9, 2023; Setup at 9 AM, Contest starts at 11 AM. Contest runs all day and we will stay as long as we are having fun.

**Where:** To be determined

**Who:** You! You are welcome to bring your family and friends who would be interested in seeing or participating in the event.

**What:** We will be running multiple stations using SSB, FM, CW and data on 6m, 2m, UHF and 1.2 GHz.

**Scoring:** Contacts count for different points based on band.

- One point for each complete 50-144 MHz QSO.
- Two points for each 222-432 MHz QSO.
- Three points for each 902-1296 MHz QSO.
- Four points for each 2.3 GHz (or higher) QSO.

**Exchange:** Send 4-character maidenhead grid-square locator ([www.arrl.org/grid-squares](http://www.arrl.org/grid-squares)). A signal report is optional. A typical contest exchange would be:

CQ station: CQ test from KO7Z

Answering Station: W9SZ

CQer: W9SZ EM48

Answer: EN50

CQer: Thanks, KO7Z

**Equipment:** We will be organizing and bringing radios, antennas, computers and power. You are welcome to bring your own gear to operate if you would like to set up your own station.

**Logging:** We will use the VHF contest version of N3FJP. The same type of logging software we used at Field Day.

**What to bring:** Chair, cooler with food and water for yourself, sunscreen.
