August 15th—General Club Meeting -
In Lieu of the meeting we will be having the Annual
Club Potluck Picnic at Red Sunset Park.
Arrive after 5, dinner at 6.
See page one and page five for details.

**From the President's Desk – Rob Remler**

To those of you who have been struggling with the heat of the summer I will let you know that it has been in the upper 50's to low 60's for most of the summer here in Alaska. It's been in the 70's a couple of days but overall, I have had a light jacket on most of the summer.

I am hoping to make it back for the picnic on August 15 and I anticipate leaving my jacket at home. For those of you who have been traveling, I hope you have had a chance to get on the air somewhere new. I have found an 80-meter noontime net here in Alaska and been able to participate in the "Snipers Net" in the evenings when I've been near the radio. A lot of people use 146.52 up here as well. I spent some time with the group in the Palmer/Wasilla area during field day and met some people that I had talked with but had not met until then. I would encourage you to explore the bands and key the mic once in a while. While I have not had a lot of time to be on the radio, I've made quite a few QSOs.

We are planning our club picnic at Red Sunset Park (2403 NE Red Sunset Dr, Gresham, OR 97030) on August 15th. Most people begin to show up around 5 and food is served about 6:00. Burgers, dogs (??), buns and condiments are provided. You are invited to bring a side dish and/or drinks to share. While there is no business agenda (our club picnic is in place of our general meeting), I would invite some conversations around what we should do with the trailer, towers and other assets the club owns as we transition to some new equipment that will hopefully be as good if not more capable (and safer) than what we currently are using. I would also like to have input regarding the use of the new equipment and where/how it will be stored.

My understanding is that we are also setting up one of the new hex beams at the picnic to show members and guests. Bring a chair and your name badge if you have one. Sometimes I struggle with names when we don't see each other for a while. Also, reach out to members you know that we have not seen for a while and make sure they are aware and invited.

The picnic is also a great time to connect with others regarding any projects you have that may benefit from some extra help. Summer is not over but the good weather to get those outside projects finished is getting shorter. Hope to see you at the picnic.

**Weekly Breakfast Gathering:**

Join us for breakfast every Saturday morning at Heidi's, 1230 NE Cleveland, Gresham. Conversation/coffee starts around 7:00am with breakfast orders taken at 7:30am.

Hoodview's Facebook Page:

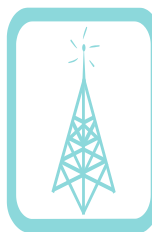

Did you know that the club has a Facebook page that we share information about classes, activities, etc. for club members and interested hams? The page is Hoodview Amateur Radio Club —WB7QIW. To join just like the page and click join. You will be asked if you are a ham (call sign) or interested in ham radio. Check out <https://www.facebook.com/groups/709367785838462/>

**Hoodview ARC Offers****Ham Radio Testing:**

The next exam session for the Hoodview ARC VE team will be on September 21, 2024 at 9:00 AM at Mt Hood Community College Fisheries #1, Gresham, OR 97030. Reserve your seat by sending an email to license— gofish@hevanet.com or contact Pamela Woods 503-956-7282.

**Hoodview Simplex Frequency:**

If our repeater goes down during an emergency or is being used by MCARES, that the members of Hoodview Amateur Radio Club should check in on the 443.475 repeater or use 147.48 Simplex and 147.52 Simplex? We will monitor those frequencies to offer assistance if available.

**Check into the Hoodview Nets:**

The Hoodview Amateur Radio Club Information Net has been expanded to both repeaters. The UHF Information Net will follow the VHF net at 7:45 PM or after the VHF net if it goes past 7:45

PM. This is an attempt to assist more local amateurs in checking in to our Club's Net and broaden our exposure. Club members are encouraged to volunteer to be net control of either net. The net is held every Wednesday night:

HARC—2 M net on 147.28 MHz at 7:30pm.

HARC—70cm net on 443.475 at 7:45 pm

Plus, on every Sunday, Hoodview has a Sunday Evening Social Net on 443.475 at 7:30. This is a good place to meet other members and say hi.

Club Patches and Badges:

We have these beautiful patches in stock. You can request Rob to meet up with you to purchase either size. The cost of the patches will be \$20 (10 in, two color blue and white) and \$5 (3.5 in, colored, white, green and blue for shirts and hats).

We will be taking orders for new club badges at the club meeting. The club is offering them for \$10 a piece. They are full color logo with you name, call sign and home location. You can get them in portrait or landscape format. Each one comes with a bulldog clip. We will have order forms at the club meeting for payment and ordering. Cash or Checks made out to HARC. Once the order is made the name tags will be available at the next meeting.
